

DO YOU PROVIDE...?

SOFTWARE

CAD, Records Management,
Jail Management, Fingerprinting

TECHNOLOGY

Networks, Computers,
Laptops, Smartphones

SERVICE TO CRIMINAL JUSTICE AGENCIES

Infrastructure, Hosted Software,
Background Checks, Permitting

THEN YOU NEED TO BE COMPLIANT
WITH THE FBI CJIS SECURITY POLICY.

WHAT IS IT?

- Each year the FBI comes out with their **Security Policy** which contains all the rules and regulations for **protecting criminal justice information**.
- CJIS ACE for Vendors can **consult on your compliance** with these policies and provide advice for **how to gain and keep your customer's trust**.
- We have over **100 years of combined expertise** in this field -- a couple of us literally helped **"write the book"** on **CJIS compliance**.

WHAT ARE THE BENEFITS?

- Get the **exclusive compliance seal**
- Prove to your agencies that you **take their security seriously**
- Improve your **customer relations and retention**

HOW DOES IT WORK?

- Develop a **compliance profile** tailored to your budget and time frame
- Conduct an **on-site or remote security audit**
- After a thorough assessment, you'll receive a **compliance roadmap, mitigation plan, and ongoing support** for all of your compliance concerns
